Our expert personnel are trained to maximize effectiveness with highest standards of human safety.

We provide commercial pest control for wide range of facilities, that includes; but not limited to hotels, restaurants, apartment, warehouses, offices, car parks and hospitals...

Our Clients

It is partnership rather than a service provider

Our Projects

Al Dhafra Hospitals

Al Dhafra hospitals is a premier medical institution located in Al Dhafra, encompassing 6 hospitals and 4 clinics, not to mention one of the most successful hospitals ever. Hospitals should be the cleanest environment, and that's why they chose Al Bahiya We provided internal cleaning services, and pest control, to the entire facility.

Mediclinic Hospitals

Mediclinic Middle East is private healthcare group in United Arab Emirates. With 7 hospitals, and 19 clinics, an institute this size can't afford being responsible for everything, that's where our role comes up. We are responsible for the cleaning and maintaining a healthy safe environment for the patients, staff, doctors, and everyone who enters, as well as fogging services.

Our Projects

Al Saqr Property

Al Saqr services ranges from leasing, facility management, and maintenance services, hospitality among other utilities are always within your reach.

Al Saqr is one of the largest companies in the entire UAE. We provide pest control services, and internal cleaning, to the entire Company.

Department of Municipal Affairs

Established in 2007 , the Department of Municipal affairs is responsible for overseeing all public projects in Abu Dhabi.

Al Bahya makes sure to provide all necessary pest control services, as well as cleaning the entire department internally.

Our Projects

The Private Department of the President of the UAE

The private department is where the president lives. It requires the best and top of services to maintain a clean, safe environment for his highness.

Al Bahiya comes in handy, with 4 services professionally done to ensure his highness' place to be safe and clean. Internal cleaning, external, fogging disinfection, and pest control.

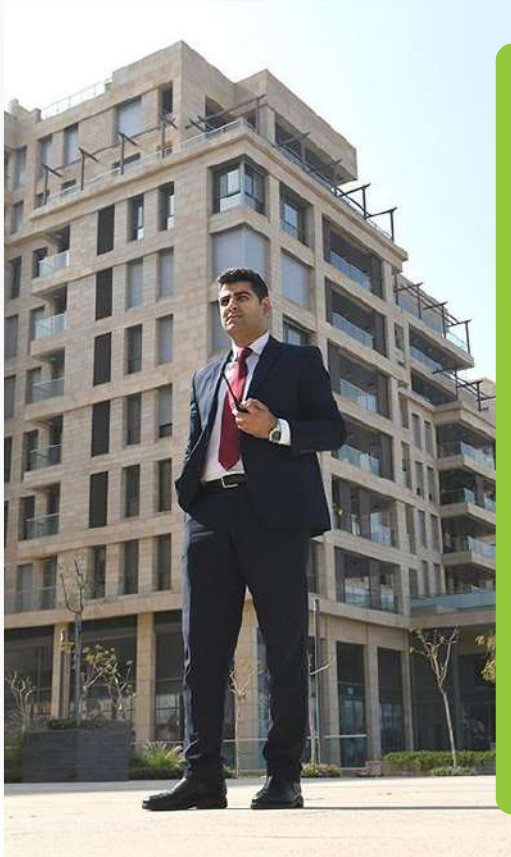

Civil Defense Dubai

From that goal, the civil defense works on protecting Dubai in case of any emergency.

Working with such responsibility, it needs professional cleaning, and professional cleaning they got.

Al Bahiya is proud to be working with Civil Defense of Dubai, cleaning the HQ internally, and externally.

Our Projects
